Draft - Assignment 1

Logo Ideas

- Logo should have my initials S ~~and~~ and M.
- Should be personal
- Want it to be creative, ~~be~~ expressive and personal yet still keeping simple... Should

What should the concept be? (exploration)

- The letters S&M ~~can't~~ can be different from each other 1 represent different ideas
- S can be curved / flowing showing creativity, movement, visual arts background
- M can be ~~shar~~ sharp. showing structure, logic
- like a contrast between soft and structured.

Design Considerations

- ~~Keep the~~ the mark minimal so it works in small sizes
- Make the letters still readable as SM
- Only two ~~cto~~ colours allowed

Final Idea:

- A flowing S combined with a structured M
- Represents the balance between creativity (art) and structure (technology).
